

**REQUEST FOR BIDS
NOVEMBER 21, 2009**

Your firm is invited to submit a bid for the following project:

Morehead Beaufort Yacht Club—Spoil Area Improvements

PROJECT DESCRIPTION:

Construction consists of re-grading and relocating berms in an existing dredge spoils field. The site will also require installation of a gravel access road, staging area for future mining operations, and a storm drainage system. The work includes off-site removal of remaining dredge spoils material not used for berm reconstruction.

BID DUE DATE PRIME CONTRACTORS:

Sealed proposals must be received by Morehead Beaufort Yacht Club, at the Main Office, 409 Island Drive, Beaufort, NC, 28516 prior to 5:00 pm December 2, 2009. Pricing for alternates #1, #2 and #3, and Contractor's Qualification Statement should be included. Bids received after the deadline stated above will not receive consideration. **Only original proposals will be considered.**

MBYC Authorized Representative:

Jon Brearey, Preconstruction Coordinator E-mail Address: MBYCPreconstructionCoordinator@ec.rr.com
Please submit all questions in writing to Jon Brearey no later than November 30, 2009.

BID DOCUMENTS:

Bid documents are available for review in the plan room or on the website for Reed Construction Data or The Associated General Contractors of America. Alternatively, contact the MBYC Authorized Representative, Jon Brearey at (252) 241-9131 or by E-mail at MBYCPreconstructionCoordinator@ec.rr.com. A limited number of sets are available to be checked out.

Documents are also posted on the MBYC website home page at www.mbycnc.com. No user name or password is required to access this area.

Please contact MBYC prior to the bid due date regarding the issuing of any addenda.

SITE VISIT:

A site walk-through is tentatively scheduled for 1:00 pm November 30, 2009. The site walk-through is expected for contractors bidding this project.

PROJECT SCHEDULE:

Approximate Project Start: December 21, 2009 Completion: January 29, 2010

By submitting a budget of this project, each bidder represents that they understand the requirements of the schedule and are capable of performing the work per the schedule.

BID RESPONSE: PLEASE RETURN THIS RESPONSE BY FAX TO Jon Brearey at (252) 504-3044 indicating your interest in bidding this project.
